These include Electric Bicycles, small Cargo Electric Vehicles of 300+ Kg of Load carrying capacity to Large trucks of 10 Tons capacity, Golf Carts, Pathway Cleaning Solutions, Water Tankers, Trailers among others.

About Yalamanchili

Yalamanchili is a leading global technology solutions provider that designs and implements customized, flexible, scalable and innovative solutions in the areas Financial Payments, Manufacturing, Engineering Design, Software Product Development and Training & Skill Enhancement. Yalamanchili Software Exports Pvt. Ltd., established in 1996, is the first company within the group & specializes in Cards & Payment Software Solutions working with more than 100+ banks & financial institutions in India & across the globe.

Yalamanchili Manufacturing Pvt. Ltd., the manufacturing arm of the Yalamanchili Group, provides Flexible Manufacturing Solutions from Conception to Production. Unlike traditional manufacturing units focusing on manufacturing single products, Yalamanchili Manufacturing has developed a unique methodology of operating its units whereby a wide range of products can be manufactured from the same operating unit with the same set of skilled resources. This methodology leverages on local talent, local skillsets and the support ecosystem of each geographic location of our diverse country. This enables products to be manufactured in low volumes on a demand led basis, without significant capital investment, thereby ensuring quick adaptability to rapidly changing business landscape. Yalamanchili believes in designing, developing & deploying Indigenous solutions, that are architected & engineered in India with Indian talent while meeting the standards for global markets.
